

ASTRO Networks Victoria Inc.

is proud to present

George Simpson

to speak on

‘Strange Universe’

George has been involved in UFO Research since 1992. He has personally investigated hundreds of UFO reports. As Director of the **Australian UFO Research Network - Victoria (AUFORN)** since 2001, he has delivered over 60 public presentations. He has a technical background in Electronics, studied Photography, Computers and his hobbies also include Astronomy.

George will be presenting some information relating to new announcements on the character and nature of the universe we live in. Astronomers have been making surprising statements lately, especially, regarding the number of Earth like planets in the galaxy, and therefore the Universe.

The Evenings' Presentation will also Focus on;

- *An Australian Astronomer Speaks out about the Milky Way Galaxy and our Place in it.*
 - *An American Astronomer Talks about Planets like Earth in the Milky Way.*
 - *A Video Clip of Very Strange Aerial Phenomenon from Earlier this Year.*
- *Video of UFO Type Object being Transported on Roads Across the USA, near Area 51.*
 - *A Video of Very Unusual Activity in Clouds.*
- *Video of Latest UFO Photos being Removed from Social Media Site - So What's Going On?*
 - *An Up-Date on Crop Circles in the UK.*

**A Very Thought Provoking and Informative Evening,
Not to be Missed! See You There!!**
