Alternative Science & Technology Research Organisation

Victoria, Australia

is proud to present

Stephen Bassett

to speak on

Extraterrestrial Phenomenon ~ (The Road to Disclosure)

Stephen is a leading advocate in the international movement for the disclosure of the truth relating to extraterrestrial presence, contact with the human race, and an end to the government imposed embargo that has suppressed it for the last 63 years. He is based in the U.S. and is the founder of the '**Paradigm Research Group**' and the political action committee **X-PPAC**. He has appeared on hundreds of radio and TV talk shows and in numerous documentaries.

The presence of extraterrestrial civilisations engaging with the human race is the most important issue in the world today. The formal acknowledgement of that engagement by world governments 'Disclosure' will be the most profound event in human history. It is imperative that citizens of all nations begin to prepare for this event and contemplate what they expect from 'Disclosure'. Who will shape the New World?!

The Evenings' Presentation will focus on;

- *What are the Indications that 'Disclosure' is Close?*
- *What is the Truth Embargo and How did it Come About?*
- *Will the United States Disclose under the Obama Administration? - If not, will another Nation act First?*
- *What Role should Contactees Play in the Unfolding Transition?*
- *What are some of the obvious Benefits that Could come from 'Disclosure'? and, What Changes can we Expect in a Post-'Disclosure' World?*

**A Very Interesting and Informative Evening, Not to be Missed!
See You There!!**
