## **Vibratory Shamanic Healing & Crystal Energies**

Josephine was born gifted with the ability to communicate with spirits on the other side. She could see, hear, and feel them and also perceive the realms they were in. She lived between the physical and spiritual worlds all her childhood. In 1987, she met a Spiritually Enlightened Master, and studied with her for five years until her passing. She gained spiritual knowledge and was taught Tarot, Palmistry, Meditation, Trancing, Channelling, Mediumship, Healing, and also received Shakti-Par. Over the past 25 years, she has successfully attended to many hundreds of patients and to their healing needs with positive and lasting results and has often been successful where in most cases the clients had no more answers and had tried every conventional avenue available to them.

Shamanic healing heightens and enhances the subtle bodies and also assists in connecting with all realms. Crystals have an energy that can be utilized in many ways. They are particularly effective in spiritual healing as they have a vibration and a consciousness of their own and can be programmed in various ways.
