

ASTRO Networks Victoria Inc.

is proud to present

Wallace Thornhill

to speak on

The Electric Universe & Future Science

Wallace (Wal) has a website, **HOLOSCIENCE** (www.holoscience.com) and two books published with David Talbott titled; '*Thunderbolts of the Gods*' and '*The Electric Universe*', on the combined subjects of the recent history of the solar system and the electrical nature of the universe.

Wal is the Chief Science Advisor to the Thunderbolts Project (www.thunderbolts.info) and Vice President of the non-profit U.S. T-Bolts Group Inc. He is in regular worldwide demand for interviews and presentations. There is an annual Electric Universe conference in the U.S. Today the Thunderbolts website has more than 74,000 subscribers to the Thunderbolts Project YouTube Channel, and, recently, surpassed 13 million aggregate views of the videos.

The Thunderbolts Project is also responsible for initiating a unique experiment to independently test an electrical model of stars. Phase 2 of that experiment is in progress in Toronto.

Wal was awarded a gold medal in 2010 by the European Telesio-Galilei Academy of Science. He presented the Natural Philosophy Alliance (NPA) John Chappell memorial lecture, 'Stars in an Electric Universe' in 2011 at U. Maryland and was awarded the NPA 2013 Sagnac Award for Lifetime Achievement.

The Evenings' Presentation will Focus on;

- *Why we Need a New Cosmology.*
- *The Real, as distinct from the Imagined, Mysteries of Science.*
 - *Electric Universe Cosmology.*
 - *Future Science.*

**An Evening Exploring the Real Universe.
