## **2021 ~ Metal Ox For You, Your Home and Business**

Salwa is a Master in Feng Shui and the Four Pillars of Destiny. She is also the Author of many books and is internationally Accredited in Feng Shui and the Four Pillars of Destiny Courses. She teaches and speaks about the Five elements at conventions, workshops and meetings, in Australia and overseas, all year round.

According to the Chinese Zodiac, your birth year says more than just your age. The animals ruling your birth year has a profound influence on your personality, relationships, and your destiny. Chinese Astrology will help you to grasp, elementally, what your charts' personal characteristics are, what the year holds for you and your home and what remedies to place via the five elements.

If you attended Salwa's last presentation, please bring along your personal Home/Destiny Charts, prepared by her.

The Evenings' Presentation will Focus on;

- *The Five Elements Cycle.*
- *Your Personal Characteristics.*
- *What Does the Year mean, Elementally?*
- *What Remedies to Place in your Home for the Visiting Energies, Elementally.*
- *What Animals, if any, you Need to Wear for the Year of the Metal Ox to get you through the Year.*
