## The 9 Goddess Codes

Athena is the Author of '**Goddess in Residence**': **Journey of Empowerment**. She has a teaching Degree and Graduate Diploma specialising in Adult Education. She has been facilitating meditation and spiritual developments classes, workshops and retreats, as well as, individually supporting clients with energy healing and soul readings for over 20 years.

Arriving at a point of spiritual integration, Athena began to experience the Goddess hidden within all creation and, ultimately, within herself. The Goddess is not only for women, as we all have masculine and feminine within us, she is for everyone. Athena would like to share her wonderful palette of wisdom and empowering practices with a broader audience. Her book, 'Goddess in Residence', outlines the 9 Goddess Codes which she has distilled from her life experiences, spiritual teachers and her own inner explorations and discoveries. She will present, with humour and honesty, an overview of the 9 Goddess Codes, and focus on Codes 1-3 which are foundational for the spiritual path.

The Evenings' Presentation will cover, the following:-

- ❖ *Code 1: Cycle of Life: From Outer Expansion to Inner Return.*
- ❖ *Code 2: We are the Producers and Directors of our 'Play': Co-Creation.*
- ❖ *Code 3: Making the Subconscious Conscious - Path of Purification and Enlightenment.*
  - ❖ *Overview Includes, 'De-coding and Re-coding' Process with a Short Practice.*
  - ❖ *The Fibonacci Code – Going Back to Shed Light, so we can Move Forward.*

**The Goddess is the Embodiment of Spirit; the Womb of the Universe;
