She is also an Advanced Alchemy Practitioner, a Reiki Practitioner and a Pellowah Healing Practitioner and Teacher of the 'Codes for Change & Acceleration', 'Codes for Life' and 'Codes Advanced'.

The field of Vibrational essences is a fascinating and important topic today due to the ever changing nature of our world and Alchemists need to be in touch with the pulse of society, its directions, aspirations and inherent problems. Essences are important not only to facilitate personal and communal evolution but to give people a better insight and understanding of the illnesses they experience. Alison would also like to introduce you to the magic of the Falling Leaf Essences.

The Evenings' Presentation will Focus on:-

- *The History of Flower Essences including Bach & Bush Essences.*
- *Matching an Essence to your Need ~ Which Essence Type is Best for You?*
 - *Introducing Bark Essences, Seed Essences, Root Essences, Snow-Modified Australian Flower Essences.*
 - *Release and Let Go, the Primary Need of the 21st Century.*
- *Introducing the Energetics of Falling Leaf Essences, Shoot Essences and The Four Seasons Chart.*
 - *Putting it all Together.*
