Hand & Palm Reading ~ 'Your Story in your Hands'

Salwa is a Palmist who has taught Palmistry for many years, and has also written a book on this subject. She has a Registered Training Organisation for Certificate IV in Feng Shui and the Four Pillars of Destiny (Solar Astrology) Courses. She is also skilled in Qi Gong, I Ching and Face Reading.

Palm reading has been used for thousands of years. Salwa believes the ability to see one's character through Palmistry gives a person a powerful advantage, yet, today there are too many variables. The best way to start is with self-analysis using a picture or, preferably, a photocopy of your Palms. It is believed that any adversity you are experiencing in your life and in your body will show in your hands and face. In all Palm readings, the shape of the hand, fingers and other features can alter some of the qualities you have read or possess.

The Evenings' Presentation will Focus on;

- ***Which Hand?***
- ***Shape of your Fingers and Flexibility.***
 - ***Planets on your Fingers.***
 - ***The Lines on your Hands.***
 - ***The Mounts on your Hands.***

Please Note: Salwa has requested that you please photocopy both your palms and bring it with you, on the night.

Let your hands do the Talking.
