to speak on

Pendulum Dowsing for Change

Heather has been Pendulum Dowsing for 23 years. After she found international Dowser, Raymon Grace, in 2006, his methods of dowsing to change energy transformed her life. She wrote a book, *'Dowsing Heals'* and Raymon kindly co-wrote the Foreword. Her book is a combined practical manual and workbook, covering basic to advanced dowsing. There are many scripted protocols for dowsing different aspects of life. Her goal is to help people empower themselves to set themselves free from the often-narrow view of life's opportunities.

Heather works online via Zoom and offers Remote Dowsing.

After introducing Yes/No dowsing, Heather will share the magic of how to use a pendulum to change energy, drawing on what she's learned from Raymon Grace. She will also talk about how she uses Court Of Atonement (COA) Dowsing. This is an approach developed by American Channeller, Amy Jo Ellis, and it can bring about dramatic results. This is a special opportunity to discover the power available at your fingertips to make exciting and dramatic changes for yourself and others.

(Please bring a pendulum if you have one.)
