## **My Walk with Crystals**

Over the past 25 years, Julie, a Crystal Healing specialist and trained Intuitive Energy healer has been working with the natural power of crystals. Using her deep connection to crystal energy and tools like Reiki, she helps clear emotional blockages, realigns your energy and supports you in reconnecting with your truth. She is a certified Reiki Master/Teacher, experienced in Chakra Balancing and Energy Alignment, as well as, being a Happiness and Empowerment Coach.

Julie believes working with crystals offers a tangible, energetic support system for emotional and spiritual healing. These natural tools help us shift stuck energy, release emotional blocks and realign with our true selves. Whether used in Reiki, meditation or daily life, crystals carry unique vibrations that interact with our energy fields, supporting clarity, peace and transformation. In a world that often pulls us out of balance, crystal healing offers a grounded, intuitive path back to feeling whole and empowered.
