is proud to present

Tayo Nguyen

to speak on

Numerology for Self Awareness

Tayo began developing an interest in Numerology in 2018, picking up the Pythagorean system with ease, almost as if she had done it in a previous lifetime. However, it was not until 2019, when she stumbled upon an ancient Hebrew Numerology system which deeply struck a chord with her and thus, led her to become officially certified in 2020. Whilst Tayo is predominantly a Numerologist, she is also a Spiritual Counsellor, and an Energy Healer certified in various healing modalities, including Shamanic practices.

Tayo will briefly introduce Numerology based on the Pythagorean/Modern System and go straight into the archetypes/themes for each number i.e. what certain 'placements' generally mean, and other bonus fun facts. She will also teach how to calculate certain numbers and how to apply numerology practices into your daily lives. Numerology is a spiritual tool for raising awareness and it can support us in navigating our lives with much more compassion and understanding. It is the key that unlocks the door towards our highest potential and thus, living a more meaningful life.
