## Sara Gilbert

### Astrology ~ A Tool for Coaching, Healing and Consciousness Development

Sara has consolidated a childhood love of stories from Greek and Roman mythology, into astrological research and practice with intuitive asteroid archetypes that associate back to myth from many cultures. A psychological Astrologer with an evolutionary focus, Sara consults and teaches through Life Spirit Connections, the spiritual college she has founded in Carrum Downs. She holds the FAA Diploma, APA membership and Level Two Apprentice status with Steven Forrest. She has run workshops and presented for Astrology and Tarot Associations around Australia, as well as, the 2016 FAA International Astrology Conference. She has developed an extensive following for her blogs and daily Astrology posts on Facebook, as well as, having many articles published in FAA and TGA magazines. Sara is the Astrologer for the 'Go Healthier' magazine distributed every six months on the Mornington Peninsular.

Sara's special gift is helping people decode the patterns in their lives, so they feel comfortable in their own skin. She is able to draw on wisdom from multi-faceted esoteric systems: Astrology, Tarot, Tree of Life, Numerology and Palmistry/Hand Analysis which enables a richer understanding, as each tool reinforces life design through a slightly different lens.
