

ASTRO Networks Victoria Inc.

What's News!

ASTRO Networks turned 26 this year, and it is with the on-going support of the committee and members that we have been able to continue to provide a service to the community for as long as we have. We are sure it will continue to grow, prosper and be a great meeting place for likeminded people. We have reached the end of 2019 and have had another great year of Guest Speakers presenting on a wide variety of subjects. Our thanks and gratitude to the following Guest Speakers for their wonderful presentations this year;~

Salwa Abboud - 2019 Year of the Pig and the Five Elements.

Angelo Eliades - A Holistic Approach to Organic Gardening.

Sara Gilbert – Astrology – A Tool for Coaching, Healing and Consciousness Development.

Simon Buttery - The Magic of Healing Wands.

Heather Wilks – Pendulum Dowsing.

Jo Woodland - Quantum Healing Hypnosis Technique.

Dr. Maree Batchelor - Escaping the Matrix.

Charles Lim Wu - The New Model of Love – The Best Chance Ever for World Peace.

Trish McLean – Insight into Palmistry.

Elizabeth Anne Rogers – Life as an Incarnate Being and Creation.

This year we have completed moving all of ASTRO's software over to a new laptop with a Windows 10 operating system which presented some unexpected challenges that had to be overcome. We now have a much smoother running well integrated system. Many thanks to Ian Baker, Software and Webmaster specialist for all his hard work, over the many years. ASTRO's financial position has substantially improved this financial year mainly due to an increase in new members and increased meeting attendances.

Special thanks and gratitude to our committee members;- Bruno Calfa, Sara Andreetta, Monika Nuesch and Ilze Laurie for their support, help and dedication.

ASTRO will be taking a short break over the festive season and meetings will re-commence in February, 2020.

We would like to wish you and your family a safe and enjoyable Festive Season and a Healthy and Prosperous New Year!
